

REMARKS

The second advisory action rejects claim 6 on the basis that the claim should be drawn to the deposited antibody. The Examiner also rejects claims 6, 22, 23 and 25 for referring to specific binding.

In reply, claim 6 has been amended to refer to the deposited antibody and each of claims 5, 22, 23 and 25 have been amended to delete reference to specific binding. A similar amendment has been made to claim 7.

No amendment should be construed as acquiescence in any ground of rejection

It is believed that these amendments place the case in condition for allowance, but if any minor issues remain outstanding the Examiner is requested to telephone the undersigned so that they can be resolved by an Examiner's amendment.

Respectfully submitted,

Joe Liebeschuetz
